### New Rose FLIRTATION

(patent applied for)

A pink and gold combination with vigor and form that will make it a sure winner at the rose shows.

---

Our friends have asked us so often to select twelve roses which we consider the best all round varieties that we decided to tell everyone about them and offer them as a group.

## TAXUS (Yew)

The aristocrat of the narrow-leaved evergreens, with rich blackish green foliage. Remarkably resistant to trying city conditions.

Cuspidata is the faster-growing, spreading type; Brevifolia, a compact variety; and Hatfieldi and Hicksi, tall-growing and narrowish. Cuspidata capitata is pyramidal.

## MAGNOLIAS

Oriental Magnolias make one of the finest displays of spring, and are not particular about the soil.

**STELLATA.** This one blooms first, generally before the last snows. Dwarf growing and fragrant.

**SOULANGEANA.** This is often called the pink-cup variety. More widely planted than all the others.

**SOULANGEANA LENNEI.** The purple-cup variety which blooms a week later than Soulangeana.

**SOULANGEANA NIGRA.** Blackish purple. Last to bloom.

6-inch pot plants. .... \$4.00

Potted plants make transplanting safe.

Magnolia orders are filled in the spring only.

## Grafted Red-Leaf Maples

\* NOTICE: Due to prohibitive lumber cost for boxing and excessive express rates we are discontinuing the rail shipment of heavy items like taxus, hollies, azaleas and rhododendrons in the sizes marked (\*).

# Grafted Hybrid Rhododendrons

Our plants are grafted from stock originally imported from Holland. Do not confuse these with the wild Rhododendrons. Contrary to general belief, the hybrids do not require shade. The most effective plantings are those in mass effect, combining all the colors for contrast and interest.

The red Rhododendrons are spectacular in bloom but seldom have enough foliage to make them show to advantage as individual plants. Varieties such as Roseum Elegans or Roseum Superbum always have ample foliage and help the general mass effect. Cunningham's White is unexcelled as a dwarf specimen foliage variety. Cultural directions come with your order.
